## Understanding Alzheimer's and Dementia is program focus

The Richland County Dementia Capable Coalition, under the leadership of the Alzheimer's Association Northwest Ohio Chapter, will hold an educational program on Understanding Alzheimer's and Dementia for all interested residents of Richland County.

The hour-long event will be on Monday, Feb. 24 at 2:30 pm at Primrose Retirement Community, 1301 Millsboro Rd.

"A dementia capable Richland County" says Pam Myers, Program Director for the Chapter, "will be an educated community with the following results:

- Increased sensitivity to issues faced by families impacted by memory loss
- Mobilized citizens to support the needs of families and individuals
- Increased referrals to healthcare and support services, and

## RPH hosting Project DAWN class

Richland Public Health is hosting a Project DAWN (Deaths Avoided With Naloxone) training and distribution class.

Through the Project DAWN program, RPH is able to educate, train and distribute Project DAWN kits to concerned individuals at no cost, made possible through an allocation from the Ohio Department of Health.

RPH will offer in-person training for individuals who would like a Project DAWN kit Thursday, March 12, at 2 pm. The class will be held in the Corley Room (lower level, rear parking lot). Pre-registration is required by calling Amanda at 419-774-4550 or Emily at 419-774-4773. Training will be roughly 45 minutes and registered persons will receive a free Narcan Kit after completion of the training.

Project DAWN kits include two doses of naloxone (Narcan), one face shield for rescue breathing, a pair of gloves, a quick reference tool, a Project DAWN brochure and training DVD and a Richland Public Health resource guide that includes treat-

ment options throughout Richland County.

Project DAWN is named in memory of Leslie Dawn Cooper, who struggled with addiction for years before dying of a witnessed opioid overdose in 2009. Project DAWN is a public health community-based drug overdose education and naloxone distribution program.

Participants will be trained in recognizing the signs and symptoms of an opioid overdose, performing rescue breathing, calling emergency medical services and administering Narcan nasal spray.

In Richland County, there were 45 drug overdose deaths in 2018. There have been 40 drug overdose deaths through November in 2019 (with 10 deaths pending autopsy). The increased illicit use of a powerful opioid called fentanyl was a significant contributor to this rise in drug overdose deaths.

In a 2016 response to the growing issue, Richland Public Health became a distributor of naloxone for our law enforcement and emergency medical responders.

# THE ENTERTAINMENT EXAMINER

By Ian Stumbo

This week I will be doing a brief movie review and then telling you my personal picks for the upcoming 92nd Academy Awards taking place on Feb. 9.

The last Best Picture nominee I needed to see was the Korean film *Parasite* which pits two families, the Kims and the Parks, in a game of class warfare as the destitute Kims (father, mother, son, daughter) are all out of work. When their son gets a job as a tutor for a wealthy family, the Kims try to insert themselves into the Parks life to make their situation better but things turn out even more complicated.

*Parasite* is a terrific movie. The performances are so genuine and unique. Writer/director Bong Joon Ho makes a film that is not just great to look at but keeps the audience guessing as it's easy to become attached to the Kims because of their situation, even though they are conning and scheming the whole time. Absolutely check out *Parasite* as it is now on DVD and Blu-ray. ★★★★★/★★★★★

For the lead actor and lead actress performances nominated for the Oscar, I believe that Joaquin Phoenix will triumph for Joker and Renee Zellweger will win for

her uncanny performance as Judy Garland in *Judy*. Phoenix does some incredible things in his interpretation of this classic character, especially the laugh and it's a wonderful comeback for Zellweger who really sings in the film and has been a front runner for months now.

For the director and picture race, it seems to be coming down to Sam Mendes brilliant war film *1917* and the aforementioned *Parasite*. Since *Parasite* is a foreign language film it has its own category it can win. The directors and producer's guilds are pretty reliable and went with *1917* so I will go with *1917* but if *Parasite* does win it will be the first foreign film to take the best picture prize. Mendes won the director's guild prize and it's tricky to go against them as he is so deserving for his war film in a one take method. The Academy liked a variety of films this year so a surprise would be nice in a pretty predictable awards season.

Check out the 92nd Annual Academy Awards on ABC airing Feb. 9 to see who wins and certainly check out *Parasite*, a film that is as intriguing as it is insightful.

## Nikki Harless named RCCS executive director

The Board of Richland County Children Services (RCCS) has named Nikki Harless as the agency's new executive director.

At the regular board meeting on Monday, Jan. 13, board members voted unanimously in favor of Harless, 50, who has been serving as the interim executive director since July 1, 2019, following the resignation of former executive director Patricia Harrelson.

Harless began her new position effective Jan. 14. Her three-year contract calls for an annual salary of \$110,000. Harless will oversee about 96 employees and a budget of more than \$11 million. As the executive director, Harless will serve as a collaborative leader and champion for families across Richland County.

Harless was selected following an extensive and successful three-month statewide search from a pool of 14 candidates. She has been with the agency for 27 years, during which time she held various management, supervisory and casework positions at Richland County Children Services.

Harless started her career with the Agency as an intern from The Ohio State University in 1992, where she earned a Bachelor of Social Work degree. Following her internship, she was hired by RCCS as a full-time ongoing caseworker working after hours. Harless then worked in the screening department from 2000-2002 and was promoted to a supervisor in October of 2003, serving as first the School-Based team supervisor and then the Placement supervisor.

In 2006, she became the program manager over intake and ongoing. In 2007, she earned a Master of Social Work degree and received the LISW-S designation. Her experience and knowledge promoted her to director of operations of the agency. Harless served as the interim director from May 2012 to Feb. 2013, and she took over as interim director again on July 1, 2019.

Her passion to help children and families led her to a career in child welfare.

"I knew from my work as an intern that this was the job for me, having the opportunity to help impact the lives of others," Harless said.

"Compassion is a core value in social work. Social workers must realize that no matter what people have done, they are still people and they need help. You must be able to put yourself in their shoes and understand their issues. You can't be judgmental. You must be able to offer hope, understanding and care," Harless said.

For 27 years Harless has worked to contribute to the prevention and treatment of child abuse and neglect in Richland County and the State of Ohio.

The RCCS Board first developed a search committee during its regular meeting on July 8. The committee created a job posting for the executive director position that ran through various outlets from Aug. 1-31, 2019. The committee anticipated a state-wide search to target professionals with child protective services management or other relevant management experience.

The RCCS Board was committed to finding a talented leader who would successfully navigate the agency in its mission to "lead the community in assuring the safety, well-being and permanency of children at risk of abuse and neglect."

The committee developed a strategy to involve community stakeholders in its task of identifying those qualifications and leadership characteristics best suited to achieve the mission.

As the new executive director, Harless will develop and oversee agency policy, procedures, goals and objectives in all areas including communications, legal, finance, personnel, program and service. She will also ensure agency compliance with statutory and administrative rule requirements.

## Spears hits for 28 but Generals escape in overtime with huge OCC win

By Jim Warne

**LEXINGTON** — The Minutemen pushed OCC leading Wooster to the limit in the league's premier second round showdown, but the Generals escaped the LHS hardwood with a 70-67 victory in overtime despite a sizzling shooting night for Dylan Spears and a last second regulation drive by Kaydan Berry that forced the extra session, sending the home stands into pandemonium.

Spears had a torrid first half, scoring a little over half of his squad's points over that time. Twice he handed Lexington the greatest advantage by either side in the contest after nailing treys from the corner. The first came shortly before the end of the first quarter at 15-6. The next was at 22-13 in the middle of the second stanza. The hosts enjoyed a 13-2 run early in the fray. Unfortunately the guests nearly matched it with a 13-3 splurge after Lex's last big lead.

The third period was a dogfight and much of the game's seven lead changes and four ties occurred then. The Minutemen last gained the advantage at 39-38 with about a minute left in the segment. Wooster would lead the remainder of regulation until the final buzzer. Part of that was due to miserable second half foul shooting during which the hosts made only one of six. On the final possession of the fourth frame the Minutemen worked the perimeter and Danny Shaffer thought about launching a three with four seconds to go. Instead he fed Berry who wormed his way through a narrow seam down the lane and tossed a soft touch shot off the backboard at the horn which twirled onto the iron and dropped in to tie it at 57.

Wooster quickly eliminated the momentum from that great play by nailing its first three casts in the overtime, one a trey. The 7-0 run staked the visitors to a lead they never surrendered though LHS got

off 10 shots in the overtime and cashed four to cut it to a one possession spread. None of their four long shots hit the mark.

Spears had a career evening on the court honing in on 8 of his 11 two point attempts and 3 of his 6 triples, a 65 percent efficiency for his 28 counters. Both Berry and Max Waldruff fired in 13 points. Waldruff also had a hot hand meshing 6 of 8 shots. He made it a double double grabbing 10 rebounds. Berry hauled down six caroms while Isaiah Pack snapped up five. Shaffer was a fourth Lex cager in double figures with 10 and he led his club with three steals. He and Berry each handed out four assists. Pack swatted a couple General hoop tries.

Wooster was paced by Ezra McKee's 22 markers. He was 8 for 8 from the line. Reece Mitchell notched most of his 14 points on a 4 for 5 stint from beyond the arc. Free throws were the difference where the guests prevailed 22-5. They out pointed Lex 21-10 on scoring off turnovers. The Minutemen were better at points in the paint 20-12 and held almost the same edge on second chance scoring. Lexington captured the JV battle 49-44.

# Warriors steadily build lead on Bellevue

By Jim Warne

**ONTARIO** — The Warriors outscored the visiting Redmen by three to six points in every quarter in posting their 70-51 triumph over Bellevue in the second of a week long stretch of three nonconference games versus opponents from the previous leagues of which OHS has been a member during the Joe Balogh era. This reenacted the days of being in the NOL, with the contest even played on a Friday night as both teams had the week off in their present loops.

The Warriors had two hot streaks the last half of the first period and much of the third one. Shaquan Coburn was scorching behind the perimeter arc zeroing in on 5 of his 6 long shots. He topped all scorers with 19, but Griffin Shaver was right on his tail with 18. Those two both tossed in 12 points each by halftime. Shaver got the remainder of his in the third stanza while Coburn did likewise in the fourth.

Three locals were sizzling in the paint, with Jayden Price, Nolan Payne and Amil Upchurch combining for 8 of 10 from the lane. The Warriors were without the services of Kolten Kurtz due to illness so they needed the hot hand to make up for that.

The visitors led 6-5 when Shaver nailed a trey to put the hosts up for good. He fed Price for a triple in the last second of the opening segment, then Quan and Griffin poured in three counters on three straight trips down the court to push the margin out to its first half peak at 25-10. The Redmen rallied back on offensive rebounds and cut the gap to 31-25 at one juncture.

The guests stayed about that close until Ontario exploded again in the midst of the third frame. The lead went from 41-34 to 51-36 in a hurry, helped a lot by Jon Nagel and Ty Namenyi stickbacks. Nagel got one on a four shot possession. As the spread approached 20 the student section began chanting for Chance Mott to enter the fray. He suffered a season ending knee injury early in the campaign, but with a brace on it he has gotten to where he could play a short time. With 45 seconds left Coburn got loose on a breakaway and tried to dunk it but hit the rim too hard and the ball came back out right to Price.

OHS took timeout to have Mott check in. A play was run to get Chance a shot close to the hoop but he was fouled trying to flip it up there. He brought the crowd to life when he swished both free throws.

Both clubs connected for eight three pointers but the Warriors did it taking just 14 attempts. Price nabbed his coach's defensive player citation, pilfering the Redmen thrice. Coburn and Shaver also filched the ball from them a like number of times. Shaver doled out 10 assists while Price handed out four. Upchurch hauled in seven rebounds, Nagel six and Shaver five. Jon was accorded off the bench laurels.

The Ontario JVs stayed unbeaten with a 46-38 victory. They had a field day driving the lane and getting fouled on the way up. Seven Warriors toed the line and combined for 22 of 30 free throw shooting. Gage Weaver and Zach McCristall both tossed in eight points while Darian Delbrugge chipped in seven. McCristall yanked down seven rebounds. Alex Rathburn gathered five boards. Weaver authored three steals and recorded the lone blocked shot for OHS. Brock Hill issued four assists.

# Olentangy treys swamp Lady Lex 47-33

By Jim Warne

**LEXINGTON** — The visiting Lady Braves found long range shooting to their liking on the LHS court, zinging seven of them in their 47-33 Saturday night triumph. The home team didn't make any shots from downtown although they only attempted four.

The first half was quite competitive with many lead changes, but following six unanswered points the hosts got stuck on the score 27 in the latter part of the third quarter while Olentangy suddenly got hot from outside blasting four 20 footers which ignited a 13-2 rampage by the guests. The Braves kept the edge in double digits thereafter, reaching the final margin of 14 first at 45-31.

Avery Coleman had a big outing for Lady Lex canning half of her 10 field goal tries and 3 of 4 free throws for 13 points. She yanked down 10 rebounds, pilfered the ball from the visitors four times and bashed two of their casts at the hoop into oblivion. Gabby Stover endured a cold

shooting night as did most of her team, but she still was the second highest scorer for LHS with five. The Braves totally dominated the reserve game 31-11.
