On May 19, the Village of Lexington celebrated Arbor Day and also honored their oldest citizen, Lewis (Lew) Ryan, who is 101 years old. There was a ceremony at 10 am on the square, which the third grade students from Central Elementary attended.

Lew Ryan was honored and helped put the first shovel of dirt into the ground around the newly planted tree. He still lives in the same white house on Frederick Street that he's lived in since he was a young boy. His parents moved from his farming community of Palmyra, Ohio when he was about 10 years old. He told me he has many fond memories of farm life and how he's also loved living in the small town of Lexington.

Monday through Saturday he has coffee at Kell Hardware for about an hour. He still drives at one hundred and one years of age! I spoke with his niece, Missy Soprano, who had only words of admiration about her uncle:

"He is so very sharp and has led a very simple life. He's really loved

Ontario board prepares to close another school year

The Ontario Local School Board of Education met May 9. The board recognized Connie Brinegar's retirement and Condrea Cannada presented an Overview of the Food Service Program.

A CCP and Academic Update/Presentation was given for 2022-'23 student achievements.

A federal programs update was given by Mike Ream, Director of Education.

The board approved employment of certificated staff personnel on one-year limited contracts for the 2023-'24 school year for Holly Hale, third grade teacher, BA, \$42,674; Jamee Burke, high school math, MA, \$61,271; and Ashlee Scott, kindergarten long term sub, \$125 per day first 60 days/\$230.67 per day for 125 days, \$36,334.

The board approved the contract for Veregy to complete an energy project. The project provides for the upgrade of the pool to a salt water system. Building problems are also going to be addressed with insulation, caulking and weatherstripping. Through the savings, new soccer bleachers are going to be installed for spectators at the soccer complex.

The five-year forecast was submitted by the treasurer.

The resignation of Wendy Henige, first grade teacher, effective at the end of her 2022-'23 contract, was accepted.

The board amended the previously approved retirement date of June 1, 2023, for Mike Lyons to reflect July 1, 2023, due to the state track meet being held after June 1, 2023.

Isaac Gruber was hired as temporary employment for summer help in bus garage at \$12 hourly.

The board approved the 2023-'24 salary notices.

The board authorized the participation in Federal Grants (IDEA, IDEA-B, Title I-A, Title II-A, Title IV-A) for the 2023-'24 grant year.

Four extended days at the per diem were approved for math teachers to attend math training July 10-13. Training is required to offer the new MMR Math Class at the high school. This was approved for Scott Kreger, Jamee Burke and Sarah Krichbaum.

Memorial Day activities planned

Memorial Day will be remembered with events this weekend.

On Saturday, May 27, flags will be placed on veteran graves at Mansfield Cemetery at 9 am. Those helping should look for the van and trailer at the Veterans Honor Grounds to pick up flags.

Veterans of Foreign Wars Post 9943 Auxiliary and Mansfield Memorial Park will hold the 52nd Annual Avenue of Flags Ceremony Sunday, May 29, at 1 pm at Mansfield Memorial Park, 2507 Park Avenue West, Ontario.

Over 200 flags donated in the past by families of deceased Veterans interred at the park will be up throughout the park.

Five new flags will be presented during the ceremony Joseph J. Bapka, U.S. Army; Richard L. Geog, U.S. Army; Gene A. Hartland, U.S. Navy; Robert G. Keller, U.S. Marines; and Raymond T. Shaum, Jr., U.S. Marines.

The annual Memorial Day Parade will be held in downtown Mansfield on Monday, May 29, at 10:30 am. The parade begins at the 5-way intersection of Park Avenue West and Marion Avenue and continues down Park Avenue to the gazebo on the square.

A memorial service will be held at the gazebo immediately following the parade.

Volunteers are needed to help pick up flags at Mansfield Cemetery on Saturday, June 10 at 10 am. There will be two drop-off locations at the Veterans Honor Grounds and by the Vasbinder Fountain near the Old Soldiers Ground. All volunteers are welcome.

THE ENTERTAINMENT EXAMINER

— By Ian Stumbo —

It's crazy to think the Fast and Furious franchise has been going since 2001. What started out as a fun street racing movie turned into an action-packed franchise known for its outlandish chase sequences and being a part of the family.

The tenth (!) entry in the series *Fast X* is everything fans of this movie would expect.

After a flashback scene from a previous film that shows Dom Toretto (Vin Diesel) and Brian (the late Paul Walker) stealing a huge safe, the son of the man whose money they stole is now out for revenge. His name is Dante and proves to be the most maniacal and outrageous villain this franchise has produced.

Jason Momoa plays Dante with such insane gestures and style that it is almost difficult to take him seriously. Momoa balances it out nicely though and he becomes the most memorable part of this movie.

Dante goes after the team one by one including Letty (Michelle Rodriguez) who has been kidnapped and has some rather unnecessary scenes with Charlize Theron's Cypher.

Han, Tej, Roman and Ramsey have their own mission that is entertaining though some more fleshed out humor between Tej and Roman is always appreciat-

ed. Chris "Ludacris" Bridges and Tyrese Gibson always make a fun comedy team. John Cena is back as Dom's brother who must help his young nephew escape the people coming to get him.

The action scenes in this movie are always top notch though. There is a giant bomb shaped like a big rolling ball that they have to chase down the streets of Rome, a chase between Dom and Dante involving two helicopters is fun and it's nice to see Jason Statham return briefly as Shaw with some good hand to hand combat.

Fast X does not bring anything new to the franchise, it is certainly an improvement over the previous entry which was so outlandish and crazy that they actually went to space (which was something that was joked about).

Fast X is at least grounded the whole time and the action scenes are so fun with a scenery chewing villain played by Jason Momoa. If you are a fan of this franchise, there will be plenty to enjoy and viewers should definitely stay for the end credits for a big surprise for the next film in the series.

Many Civil War Soldiers were from Richland County

By Bob Carter

U.S. Senator John Sherman was in Washington and returned to Mansfield, and without ever wearing a uniform or being a member of the military, was in a span of three weeks able to organize what was named "The Sherman Brigade," consisting of 2,300 volunteers.

Addressed as "Col. Sherman" he had no military office. The way was smoothed by permission from President Lincoln. He was to receive no pay, no rank or compensation for expenses.

It consisted of the 64th and 65th Regiments, 6th Battery and McLaughlin's Squadron of Calvary, all volunteers from Richland County.

The Sherman Brigade is remembered by the people of Richland County by the hundreds of ancestors of men who served from this area. Many of the finest men from Richland and surrounding counties paid the supreme sacrifice and left a heritage of heroism.

The 64th and 65th were assigned to the 20th Brigade, under General James A. Garfield, and saw action in the Battle of Shiloh.

The regiment, in a brigade of other troops from other states, participated in many battles and were often miles apart. The list of engagements of each is too numerous to mention.

After the war, Col. John Sherman was affectionately called "Uncle John" by the people of Richland County.

When he died on Oct. 22, 1900, an honor guard marched at his funeral. With the thinning roll of living veterans, only about 50 were able to answer the last call of the Brigade.

As a Richland County historian and writer who researched much of this story was to write, "The members of the Sherman Brigade had lost their hero - their horn had been silenced."

A portrait of John Sherman hangs in the Sherman Room at the main branch of the Mansfield/Richland County Public Library.

Each Civil War Brigade had their own battle flag. This was for the 10th Ohio Cavalry.

News Briefs

The Richland County Republican Party Central Committee has selected Jodie Schumacher to fill the unexpired term of prosecuting attorney.

Schumacher comes into this position with nearly 20 years of experience, working in the prosecutor's offices in Wayne, Ottawa and Richland Counties. Schumacher joined the Richland County Prosecutor's Office in 2016 as assistant prosecuting attorney, in 2017 she was promoted to first assistant prosecuting attorney. Upon former Prosecutor Gary Bishop's resignation on April 14, 2023, Schumacher was appointed acting prosecuting attorney by the Richland County Commissioners.

Lexington starts discussion about possible levy

Lexington Village Council met May 1, with Mayor Brian White presiding. This meeting was a joint meeting with the Troy Township Trustees and council members present were Bob Jarvis, Zack Alleshouse, Adam Gongwer, Wynn Kearns, Kim Little and Jeff O'Brien.

Also attending were Attorney John Studenmund, Chief Brett Pauley, Administrator Andrew Smallstey, Troy Township Trustee Jeff Carter, and Troy Township Trustee Mike Schuster and Troy Township Trustee Tom McCready.

During even years, two Troy Township Trustees serve on the Cemetery Board with one Council member. During odd years, two council members serve and one trustee.

Councilman Kearns reported the resignation of Troy Township Fiscal Officer Dean Strohming in February 2023. DiAnn Jamerson as treasurer and Kevin Angle as secretary will fill the remainder of the year for that position.

Councilman Kearns noted that the township has two CDs in good standing. The township has also cleaned up and utilized better systems for purchasing, invoicing and paying bills. Jamerson has implemented and confirmed all paperwork must be filled out prior to starting any work orders.

Councilman Kearns informed members that the cemetery board has organizational authority for all three cemeteries. However actual maintenance and expenses are separated. Lexington Union Cemetery, E. Main St., has 14.8 acres that are Cemetery Board expenses. Bell Road and Gass Road cemeteries are Troy Township expenses with oversight and organization by the Cemetery Board.

Trustee Schuster noted that they have hired contract mowing services to maintain the two Troy Township Cemeteries after a review was made by the Cemetery Board.

A possible levy discussion was held. The current 1/2 mil levy was put in place 45 years ago. Things have become more costly since then. A possible second joint council/trustee meeting may be held some time in September of this year. The bottom line, based on initial findings, is that the village can no longer keep up with all the expenses. Attorney Studenmund advised all paperwork for the ballot must be completed 90 days before the election.

Mr. Mitchell of Fox Road asked for clarification regarding the status of the Troy Township Fiscal Officer and if his finance records were available for public viewing. Councilman Kearns stated the fiscal officer resigned after completing and submitting the 2022 audit report. All records appear to be in good standing.

Mr. Bacin of Cedarwood Drive asked if anything was new regarding Gables Crossing's sidewalks and streetlights. Mayor White said they are still researching.

As reported by Administrator Andrew Smallstey, the first round of street sweeping was scheduled for the beginning of May. The village planned to celebrate May 19, as Arbor Day on the square honoring Lou Ryan.

Illegal signs and high grass ordinances have been reviewed and they will be monitored throughout the season. The website upgrade will be completed soon and hopefully live before Memorial Day.

Councilman Kearns asked when the rebidding of the street resurfacing project will be and Smallstey replied that May 10 is the bid opening date.

Councilman O'Brien asked if Patriot Park's driveway will be done this year. Smallstey confirmed that it will.

As reported by Mayor Brian White, he and Smallstey visited Mid-Ohio Sports Car to work on embracing the track's heritage with the village. A ribbon cutting at Jackie's Cheesecake was to be held May 2.

"I am continuing to work on the Comprehensive Plan and have received a proposal from Edge Group from Delaware regarding Main Street Design. This will include the intersection at State Route 97 and U.S. Route 42," said Mayor White.

"We expect to have the project complete within six months. Costs should not to exceed \$45,000. Council approved this funding."

Councilman Little asked if the person who hit electric pole on Plymouth Street was hurt and Chief Brett Pauley said they were not injured.

An Executive Session was held to discuss purchase or sale of property. Mayor White requested Administrator Smallstey to also attend the Executive Session.

the small-town feel of Lexington. He was a wonderful husband to his late wife, Alice (Lewis) Ryan and a great father to his three children, Gary, Marcy (Ryan) Brown and Kevin. He is an amazing person to just sit with and talk about his days of long ago; the historical experience is so worth it! All of the Lewis family love him very much and are looking forward to seeing him at this year's family reunion which they celebrate every two years.

Regardless of his age, Lew can still remember every detail of his childhood. The brick roads where farmers would ride into town, and where every shop was located. Ryan graduated from Lexington High School in 1940 with 32 students in his class. He owned the Sinclair Service Station (located at the current Buck's Bar and Grill) for over 30 years.

It's been said that when you plant a tree, a miracle occurs. The tree becomes a place for kids to play and climb. A shady spot for a picnic, a pleasant addition to your home, and beauty for your city.

I believe this Greek Proverb says it best, "A society grows great when old men plant trees whose shade they know they shall never sit in." There's something to be said about selflessly caring for future generations. It was neat to see the correlation between Lew and the young third graders.

Village of Lexington Mayor Brian White welcomed the guests and read a proclamation. The Village of Lexington was recertified as a "Tree City U.S.A." for 2022 by the National Arbor Day Foundation. This Nebraska based organization is dedicated to encouraging tree care and tree planting programs across the country. Ohio leads the United States with 225 cities and villages receiving this recognition.

Administrator, Andrew Smallstey, also gave an introduction and greeting. Peter Them, Finance Director, talked about the history of Arbor Day. Parks Superintendent, Todd Ward, talked about the importance of planting trees to the third graders. They listened with anticipation and took turns lifting a shovel of dirt around the newly planted tree.

Arbor Day was founded in the 1800s. A pioneer named J. Sterling Morton from Detroit settled in Nebraska. As true nature lovers, Morton and his wife surrounded their newly built home with trees, shrubs, and flowers. Morton was a news reporter and soon had the job as editor of Nebraska's first newspaper. This gave him a chance to spread his knowledge and love for trees to all of his readers. As his reputation increased, he became secretary of the Nebraska Territory, which provided another chance at teaching people the value of trees. On Jan. 4, 1872, Morton proposed a tree-planting holiday to be called "Arbor Day." The date was set for April 10, 1972. It was estimated that more than one million trees were planted in Nebraska on the first Arbor Day.

Perhaps you would enjoy starting your own garden or planting some seeds. It's a very satisfying and meaningful experience to plant something and watch it grow. For more information on starting your own garden plants from seeds, check out www.wildflowerfarm.com. A special thanks to Lew Ryan, for planting seeds of hope and teaching us all the value of slowing down and enjoying the simple pleasures of life!

Trainer Girl's Tips

By Mátiece Thomas

Summertime is here and we all have our favorite activities we love to do for the summer. There's usually a family get to-

gether, or a vacation that we've planned and we all want to look our best.

Today, I want to come to you and give you a few tips from the Trainer Girl that will help you if you want to shed a couple pounds and look your best.

Or maybe, you just might want to be able to fit into last summer's clothes and not have to buy brand new. Either way it can be as easy as 1-2-3!

First, cut the crap! Remove

any junk food, soda or sugary drinks. Yes, they might taste good but if you think about it, you never feel good after eating it. So why take in those empty calories with no nutritional value that just stores fat?

Second, eat what your body needs to shed the pounds. Lean protein (3-5 ounces) and 1-2 cups of nutrition packed vegetables and/or berries make a great meal. Choose one meal in your day to add a fast carb. For example a slice of whole grain bread or half cup of rice.

Thirdly, MOVE and stay hydrated! Get in 10,000 steps a day! Go for a walk, go hiking,

go for a bike ride or just exercise. Just make sure you burn 500 more calories than you are eating.

It can be that simple! Follow these three tips I've given you, for a couple weeks, and you will start to see results!

Have a great summer, do things you enjoy and create a healthy life!

ORECCHIETTE WITH SAUSAGE AND BROCCOLI RABE

Ingredients

3 tbsp olive oil
2-3 cloves garlic, chopped
1 lb Orecchiette pasta
1 bunch broccoli rabe (You can substitute broccoli or spinach)
1 lb loose Italian sausage (If links, take out of teh casing)
1/2-1 cup white wine or chicken broth (optional)
1 cup Grated Parmesan Cheese (more if preferred)

Instructions

Have a pot of water boiling for pasta. Add some salt to the water and cook pasta. (This can be done while you are preparing the rest of the ingredients.) Drain (you can save some of the pasta water as well to add back into pasta if it is too dry). In a large sauté pan, heat the olive oil and add the garlic. Saute for 2-minutes, be careful not to brown the garlic, you just want a nice saute until you really start getting some fragrance. Add sausage and cook stirring often to make sure garlic does not overcook. (If you are worried about the garlic, you can pull garlic out after you saute it and just set it aside while you cook the sausage. Then add garlic back in after sausage is cooked.) While sausage is cooking wash and chop the broccoli rabe. When sausage is browned add the broccoli rabe. Saute for a few minutes until greens are wilting. Cover and let greens cook make sure they do not get too mushy. Add wine or broth if pan becomes too dry. Add sausage and broccoli rabe to drained pasta, add pasta water if you would like. Sprinkle cheese over pasta and mix in. Add a nice green salad and loaf of bread and you have a perfect meal.

Students continue tradition with Madison Olympics

Madison Local Schools held its Elementary Olympics on Tuesday, May 16. The night was kicked off with a second grade fun run.

Following that, third and fourth grade students who qualified during their PE classes throughout the year, competed in events throughout the night. These included the 50m, 100m, 400m, 4x100m relay, long jump and medicine ball throw.

Throughout the night, different events were available on the field for kids of all ages to take part in. Coaches and highschool student-athletes from boys and girls soccer, football, as well as boys and girls basketball, had stations for students to compete in.

Entrance was free with donations accepted going towards the PE departments and London Hamilton's family, a third grade student from Madison South battling cancer.

At the conclusion of the night, top three finishers for each event were announced. Madison South was crowned the overall team champion with 56 points followed by Mifflin with 50 and Eastview with 39.

HNCO receives \$35,907 Legacy Estate Gift from Galion Couple

Hospice of North Central Ohio (HNCO) has received a Legacy Estate Gift in the amount of \$35,907 from The Farina Family Trust.

A portion of this gift will be used to support end-of-life, palliative care and bereavement programs and services provided by HNCO.

In addition, The Charles A. & Doris G. Memorial Endowed Fund for HNCO has been established at The Richland County Foundation.

Charles and Doris Farina were longtime Galion residents. They were married in 1948 until Doris's death in 2020. Charles and Doris were both employed in various capacities in Richland County. Charles was a retired police officer, businessman and a Veteran of the US Army where he was a championship boxer. Doris was a realtor, volunteered and did charitable work throughout the area.

Ralph Tomassi, HNCO Chief Development Officer stated, "This gift validates the power of planned giving. By designating HNCO in their estate, the Farina's helped support current needs while helping to assure the long-term viability of our non-profit organization. They lived extraordinary lives and possessed charitable hearts. We will be good stewards of their generosity and perpetuate their names in a place where they were well known and respected."

This Week's Pet Looking for A Forever Home

Flynn

Poor Flynn has been at the shelter for a year as of May 23.

When Flynn first came in, many were a little hesitant around him. Now, everyone loves him. Flynn has so much energy and loves to play! When he sees a friend, he is incredibly excited and will jump up on them. Flynn loves sprinting and playing. He also loves playing in baby pools with water. He can play roughly, so a home with small children probably isn't the best for him.

He loves when someone plays tug of war with him, but he does

growl while playing. Flynn is potty trained and does his best to wait until someone takes him on a walk to go. Flynn is affectionate when he trusts people, but he always wants to go at his pace. He does need some work walking on a leash, because he can pull pretty hard. Flynn has a lot of love to give and would love a family as soon as possible! Flynn does not like other dogs or cats and is around four years old.

Flynn is available at the Richland County Dog Shelter in Mansfield. Those interested in meeting him or any other dog, can contact or visit the Richland County Dog Warden's Office and Shelter. Hours are 11 am to 4:15 pm Monday-Friday and 10 am to 2 pm on Saturday.

Currently, adoptions are on a schedule, based on the time the dog has been at the shelter. Dogs that have been at the shelter for more than a year are \$50, dogs there more than six months are \$100, dogs at the shelter longer than three months are \$125, and dogs there less than three months are \$150. This fee includes spay/neuter, microchip, dog license, and some vaccines.

The shelter's current needs are volunteers to walk and play with the dogs as well as fill kongs for the dogs to play with when they are in their kennel, help with laundry or dishes, or clean the yard. The shelter uses a lot of bleach, laundry detergent, and dog treats and welcomes donations.

Richland Pregnancy Services plans annual Walk for Life

Richland Pregnancy Services will host the annual Walk for Life on Saturday, June 3, at Mansfield's historic North Lake Park, and the start of the Richland B&O Bike Trail, at 268 Hope Rd., in Mansfield.

The walk is two miles long and the path is stroller friendly. Registration opens at 9 am and the walk begins at 10 am.

The Walk for Life is a community focused, family-friendly event to show support for life. All proceeds from the event will support Richland Pregnancy Services in providing free pregnancy testing, ultrasounds, STD testing, parenting classes, mentoring, material support and more.

Upon registration, each participant will receive access to their very own fundraising page that they can use to raise funds for Richland Pregnancy Services by asking family and friends to sponsor them as they walk.

Walkers will be eligible to win prizes from local businesses and attractions from across the state. Some of these prizes include Cedar Point tickets, a YMCA membership, skiing passes for Snow Trails and more.

The first 200 walkers who register will receive a free goody bag. Richland Pregnancy Services aims to raise \$50,000 to continue to meet the needs of women facing an unplanned pregnancy.

Corporate sponsorship opportunities are available and sponsors are eligible for various levels of promotion leading up to and during the walk. Reach out to Raelene at raelene@richlandpregnancy.com if interested in partnering with Richland Pregnancy Services.

The board approved employment of part-time classified personnel for summer custodial for Clay Cumston, II, Damian Dean, Tyler Holoway, Jonathan Pugh and Aiden Turner.

A job description was adopted for In-School Detention Aide position. The board approved Juneteenth, June 19, as a paid holiday for all regular non-teaching employees on 11 and 12 month contracts.

The board approved an agreement with the NE Ohio Network for Education Technology Program and an agreement between Ohio Department of Rehabilitation and Correction for Adult Education to offer welding programs at MANCI and Grafton Correctional facilities.

The board entered into executive session to consider the employment of a public employee or official.

MRS. WELCH'S BIOLOGY CLASSES at Ontario High School examined the reproductive structures of daisies and carnations to study the relationship between flowers and pollinators. They learned that daisies are composite flowers, meaning the center is actually made up of dozens of fertile "disc flowers".

Red Cross donors will receive incentives

GWENDALYN BOYER graduated from Ashland University with a Bachelor of Science in Education during spring commencement ceremonies May 6, at the Niss Athletic Center. She graduated Cum Laude in Early Childhood Education. Gwen is a graduate of Madison Comprehensive High School and is a United States Air Force Veteran. She is the wife of Ryan Boyer and daughter of Ron and Stella Smith.

ROBIN EYERLY, a 2019 graduate of Ontario High School, graduated from the University of Findlay Magna Cum Laude on May 6, with a Bachelor of Science degree majoring in animal science/pre-veterinary medicine. Robin will continue her education this fall at MidWestern University in Glendale, Arizona where she will pursue a Doctorate in Veterinary Medicine. She is the daughter of Dave and Angela Eyerly of Ontario.

The American Red Cross asks donors to book a time to give blood or platelets now to address a recent drop in donation appointments that could lead to fewer transfusions for patients in the weeks ahead. Type O blood donors are especially needed to ensure a strong blood supply.

The start of summer can shake up normal routines, but it's important for donation appointments to stay on the calendar – especially as Memorial Day weekend approaches. More than 42 million Americans are expected to travel over the holiday, meaning fewer donors may be available to give.

Appointments are critical this week for people waiting for lifesaving care. Download the Red Cross Blood Donor App, visit RedCrossBlood.org or call 1-800-RED CROSS (1-800-733-2767) to schedule a time to give now.

In thanks for making and keeping appointments, the Red Cross will help donors prepare for beach days and backyard fun as the season begins:

All who come to give through May 31 will receive an exclusive Red Cross beach towel, while supplies last.

Donors in May will also be automatically entered for a chance to win a trip for two to the 2023 MLB All-Star Game in Seattle, including two tickets to the 2023 MLB All-Star Game thanks to the support of Fanatics, round-trip airfare, four-night

hotel accommodations, a \$750 gift card and more.

Those who come to give June 1-30 will receive a \$10 gift card by email to a merchant of their choice. Plus, they'll also be automatically entered for a chance to win a backyard theater package including a projector and screen, projector tripod, smokeless firepit, Adirondack chair set and a movie night snack package.

Bloodmobiles will be held:

Richland County Foundation grants over \$8.8 M

During the Richland County Foundation annual meeting, President Brady Groves reported the Foundation granted \$8,805,272 in 2022. Donors continued to be very generous and gifts for the year totaled \$3,544,561.

Foundation donors were most passionate about supporting education with grants totaling 2,995,520. Other sectors receiving grants were children/families/youth \$1,646,478, community development \$1,185,896, health services \$841,996, arts & culture \$762,800, environment \$664,344, human services \$363,967, economic development \$216,296 and churches \$128,975. To review the 2022 annual report, go to richland-countyfoundation.org.

Guest speaker Jana Mulherin talked about her philanthropic journey with her husband, Pat. Together they established a donor-advised fund and supported an agency fund for the Ohio District 5 Area Agency on Aging at the Foundation.

"Our philanthropic philosophy is simple; it is about giving back. The endowment fund will be a way for people to donate to the Area Agency on Aging and it will make a difference in our community," said Jana Mulherin.

Richland Public Health Commissioner Dr. Julie Chaya spoke about a new AED program. The Health Department received a grant to provide Pediatric AED equipment and education. Automated external defibrillators (AED machines) are being placed at Richland County schools and non-profit organizations. Health Department staff are providing CPR training. According to Health Department data, sudden cardiac arrest is one of the leading causes of death in the United States for youth and adults.

During the business portion of the meeting, Rand Smith and Jason Guilliams were approved as incoming Board of Trustee members.

Carl Fernyak, Dr. Norman Jones, Julie McCready, and Gog Meisse completed their terms and were recognized for their dedication and service to the community.

The Richland County Foundation, a not-for-profit 501c3, was established in 1945 as a way for individuals to pool and invest their gifts for the long-term good of Richland County and its residents.

The Foundation helps people in Richland County give back to their community by investing their gifts in charity wisely so that grants can be made to improve the quality of life for all the county's citizens. Working together with donors, the Foundation meets important needs today and plans for a strong future.

DURING THE Richland County Foundation annual meeting held May 12, chair Jessica Gribben presented the gavel to incoming chair Chris Hiner.

Sherman Elementary students attend cookout at Dayspring

Photos and Article By Traci Little

What a privilege it was to attend the cookout at Dayspring Assisted Living and Care Facility on Wednesday, May 17. The pavilion was surrounded by smiling second graders from Sherman Elementary School. I watched as they sang songs, did the hokey pokey, and interacted with the residents. Ohio's Outstanding Teen, Cassandra Kurek, also attended the event.

"My name is Cassandra, but you can call me Cassie," she told the students. She kept them entertained with stories, games, and songs. She wasn't afraid to get out in the grass and play tag and catch with the kids. She found that she had to put her crown down, so she could properly run across the grass with the energetic group of children. How amazing to see this young girl in such an admirable leadership role not be afraid to roll up her sleeves and interact with children.

"My day with the Sherman Elementary second graders and residents of Dayspring was one I will never forget. The kids kept me moving and even taught me some new things. It felt like I was looking back at my younger self when I was with them. They made me feel like I was the coolest person when I really thought they were the cool ones. Beyond my second-grade friends I enjoyed getting to know the Dayspring residents. Hearing how some of them moved to Ohio or just their fun stories really brightened my day. That's definitely why I'm glad they invited me to come back and visit any time," said Kurek.

I loved watching as one student taught two residents how to play chutes and ladders, a favorite game of mine as a child. There's something so amazing about watching different generations interact with one another. It's so important, and it is something that not everyone provides the opportunity for.

Community activist, Doc Stumbo, has helped arrange these yearly visits since they began over 20 years ago. The residents and students look forward to these different events throughout the year. This annual May picnic is a favorite for everyone!

Linda Zakrajsek hopes this beautiful collaboration will continue after she retires this month. "I'm really sad about it and I'm going to miss these kids. I hope that the administration and the person who takes my place will continue this beautiful legacy. It helps the children learn to serve others and be a good friend. It also teaches them leadership skills.

The Dayspring property, located on a scenic hillside at 3220 N. Olivesburg Road, is a beautiful place to be. I love that these men and women have a loving home to be a part of.

"We're so happy that the levy passed. It means we can breathe a little easier for another five years. There's so many misconceptions about these wonderful individuals. They are amazing people who need some extra care. If the levy didn't pass, we'd have to close our doors," said Dayspring Executive Director, Michelle Swank.

What a treat for Richland County Judges, Phillip Naumoff and Brent Robinson to grill up the hot dogs for the event! The children

delivered gifts and candy to the residents along with soft drinks and potato chips. There was also potato salad, fruit salad, and ice cream cones.

The Dayspring staff honored Linda (Mrs. Z) at the end of the event with a special gift for her and the children. It was a sweet moment with tender hugs exchanged. It takes a special teacher to care so much and have such a huge heart. My prayer is that others will follow in her footsteps, example, and leadership. It's not every day that you run across someone as amazing as Mrs. Z!

THE 2022-'23 POWER OF THE PEN competition began the year with a record 2,500 writers. After district and regional competitions around the state of Ohio, the top 20 percent of writers were invited to compete at the state tournament on May 19. Ontario's Tatum Mottayaw and Leah Ziegler survived a very competitive field to land in the top 500 writers in the state and earned a trip to state. The state tournament, held at Ashland University, involved a writer's workshop, food, a Thursday night dance, an exploration of the campus, Justin A. Reynolds as a keynote speaker, and a Friday full of writing. Each writer composed three original stories from a prompt in three 35-minute rounds. After three rounds, Leah ended as a finalist in the 7th-grade competition and wrote a final story in the fourth round. During the awards ceremony, Leah learned she placed eighth in the state. Leah competed against 250 other 7th-grade writers to earn that honor.

Plymouth FFA hosts annual banquet for over 200

On Saturday, April 15, the Plymouth FFA hosted its annual FFA banquet. Over 200 members, supporters, alumni and guests were present at this event.

During the banquet, members were given awards and celebrated all their successes and hard work throughout the year, good-byes were said to members who have helped the chapter achieve so much, and the new officers for the upcoming year were installed.

To start the night out, there were many dinner selections, desserts and refreshments for guests to enjoy.

The chapter gave out numerous awards including most involved, top sales awards, honorary degree, honorary business and other awards. Almost 70 members were identified for receiving their Discovery, Greenhand, or Chapter degree. Not only did the members get gifts, but many alumni, parents, photographers, farm field helpers, cooks, and Career Development Event (CDEs) coaches were also recognized for their importance to the chapter.

Aliya Echelbarger was acknowledged for receiving her state degree this May at a state convention. She will also be receiving her American Degree at the National Convention in October. Aaron Kuhn will also be receiving his American Degree this October. Aaron and Aliya have both worked very hard to be able to receive the highest possible FFA degree that less than half of one percent of FFA members receive.

President Sarah Hoak gave her retiring address as she has held the president office for the last two years. Hoak expressed how grateful she was for gaining a lifetime of memories, new friends, experiences and expanding her knowledge.

"Appreciate the time you have because you never know when it will be cut short, or how fast a new chapter in your life may begin," said Hoak.

When she was a freshman, her high school experience was cut short due to Covid. Even though she missed out on so many early high school experiences, they made the best of it.

"Covid and really just the process of growing up made me appreciate the time that I have had, and will have in the future," said Hoak. "I know that no matter the situation, no matter how burnt out or stressed I get, I know that my time on this earth is limited and it should be cherished."

This fall, Sarah will be attending The Ohio State University Main Campus majoring in sustainable agriculture.

The Honorary Degree Award was given to Sally Hoak. She is an active member of the community being the owner of Uptown Curls Salon in Plymouth and a member of the Plymouth Shiloh School Board of Education. The honorary business award was given to JJ's Pizza owned by Brandon and Berta Baker. JJ's has donated pizza to the chapter, helped with fundraising and allowed the FFA members to have an exclusive inside look of their business during Farm Tours in May of 2022.

Recipients of the Discovery Degree included Keegan Beverly, Makayla Cunningham, Taylor Dean, Lincoln Distl, Kamryn Hall, Deacon Hansen, Chiyo Harris, Gianna Hughes, Luke Kelbley, Cainan Kilgore, Seth Love, Kaylee Martin, Presley Martin, David Milligan, Madison Montgomery, Anthony Moore, Benji Oney, Jacob Page, Bryson Sanders, Hunter Shepherd, Mya Stine, Kelsey Surgener, Jeric Tackett, Dallas Thompson, Jayden Thompson, Kendyll Tolbert,

Adelyn Vorhees and Ashley Watkins.

Recipients of the Greenhand Degree included Brooke Bailey, Nicole Beverage, Kelsey Breznicki, Peyton Chandler, Lily Cook, Sara Cook, Rylie Edwards, Raelynn Fearing, Morgan Follett, Rylee Gowitzka, Aaliyah Grose, Alyson Lewis, Miley Linstrum, Dillan Myers, Kayden Oney, Jaylen Scott, Jack Stacklin, Camryn Wallace, Lilly Weaver, Thomas Winegardner, Casey Yaney, Kristi Yeager and Blake Zidarín.

Recipients of the Chapter Degree included, Ki Barber, Olivia Balkin, Kyrsten Caudill, Christian Conklin, Armando Flores, Matthew Gillum, Colton Hass, Kansas Huston, Jack Kelbley, Paige Letner, Tim Listrum, Zach Miller, Ethan Osborne, Hunter Scheffler, Ava Stine, Katelyn Swingle, Kristen Swingle and Caden Yaney.

Top five fruit sellers were Nicole Beverage, Aly Lewis, Olivia Balkin, Kansas Huston, and Gianna Hughes. Top five strawberry sellers were Nicole Beverage, Amber Martin, Aaliyah Grose, Aly Lewis and Morgan Follett.

The 2022-'23 outstanding students included Aaliyah Grose, Nicole Beverage, Kristen Swingle, Braden Montgomery and Sarah Hoak. The winner of the 110% award sponsored by Agcredit was Madison Montgomery.

CDE teams that placed at state level were Career Presentations: Gianna Hughes, ninth; and Mya Stine, 11th; Impact on Agriculture: Makayla Cunningham, Kelsey Surgener, Ashley Watkins and Addy Voorhees, 9th; and Agriculture Career Conversation: Jeric Tackett, 18th; and Taylor Dean, 13th.

The Career Quiz Bowl team placed 11th in state and the team consisted of Chiyo Harris, Kaylee Martin, Kendyll Tolbert and Madison Montgomery. The food science team placed 12th in the state. Braden Montgomery is currently in top four in the state of Ohio for his agriscience fair project. The poultry judging team will be heading to state finals at the end of the month. Both of these events will be recognized at State Convention in May.

Ava Stine has received a gold rating on her treasurer book and Katelyn Swingle received a gold rating on her secretary's book and they will both be walking across the stage and receiving their award at State Convention.

The 2023-'24 officer team is Braden Montgomery, president; Katelyn Swingle, vice president; Ava Stine, secretary; Kansas Huston, treasurer; Nicole Beverage, reporter; Kristen Swingle, sentinel; Zach Miller, student advisor; Aaliyah Grose, historian; and Paige Letner, parliamentarian.

The Plymouth-Shiloh FFA Alumni also gives out a scholarship to hard-working members to help them to better afford their college tuition each year. This year Sarah Hoak, the daughter of Tom and Sally Hoak, was granted the scholarship.

She has participated in many events over the years and has helped the alumni at numerous occasions. This year they also added the Stanley Caudill scholarship. The Plymouth-Shiloh FFA Alumni will also award \$4,000 in additional scholarships this spring to alumni students returning to college. These scholarships are made possible by supporters of the annual Plymouth-Shiloh FFA Alumni Tool Fundraiser to be held on Saturday, Sept. 9, 2023. Tickets are now available at Plymouth Hardware, Uptown Curls and Ag Repair Services.

Premier Bank receives Doing Well by Doing Good Award

Premier Bank has been awarded the Doing Well by Doing Good Award in the fourth annual Mastercard® Community Institutions Segment Awards for the Bank's philanthropic efforts and volunteerism.

For the past several years, Mastercard® has highlighted impressive achievements from Financial Institutions for their impact they have on their local communities. This Doing Well by Doing Good Award is reflective of all the hard work the Financial Institution puts into promoting community service, philanthropy and charitable contributions. It is a testament to their commitment to making a difference and doing well by doing good in the communities they serve.

"This is an incredible honor from Mastercard® because it recognizes Premier Bank's passion to support local initiatives, events and projects. Whether we are donating our time or resources, we know that it makes our communities stronger," said Gary Small, President & CEO, Premier Bank. "This recognition is particularly important to us because it represents our associates, customers and the communities that we serve which is reflected in our annual kindness campaign."

Premier's commitment to providing support through its charitable foundation, volunteerism and other investments in the community is highlighted in a video series dubbed Kindness Campaign. The campaign's "Powered By (kind) People. Fueled By You." tagline is a reflection of Premier Bank's longstanding commitment to the community. Powered By (kind) People represents the strong sense of passion the Bank's associates have for supporting local communities, coupled with the Bank's commitment to giving back. Fueled By You represents the inspiration that the Bank's clients and communities give them to give back and spread kindness in the places they call home. Premier Bank is headquartered in Youngstown, OH, and operates 75 branches and 10 loan offices in Ohio, Michigan, Indiana, Pennsylvania and West Virginia.

Former Buckeyes will attend Doug Castle Legacy Benefit Dinner on Friday, June 23

Richland County Foundation President Brady Groves will be the guest speaker at the Doug Castle Legacy Fund benefit dinner Friday, June 23, at 5:30 pm at Kingwood Center Gardens, 50 Trimble Rd., Mansfield.

Proceeds will go to the Doug Castle Legacy Fund of the Richland County Foundation for community grants. Tickets are \$45 and are available on Eventbrite <https://bit.ly/3N6G5yG>.

Former Ohio State Football players running back Antonio Pittman, defensive tackle Doug Worthington and offensive guard Ben Person will be at the benefit dinner to meet and greet guests.

Pittman rushed for 2,945 yards from 2004-'06 for the Buckeyes. He now is a Columbus City firefighter.

Worthington was a defensive tackle for the Buckeyes from 2005-2010. The Pittsburgh Steelers drafted him in 2010. After the Steelers released him, he went on to play for the following teams: Tampa Bay, Washington, San Diego and St. Louis. Person was an offensive guard from 2004-'09 and started all 13 games as the Buckeyes played for a national title in 2007.

Since its inception in 2018, the Doug Castle Legacy Fund has awarded three college scholarships to Mansfield Senior High School graduates. This year the Doug Castle Legacy Fund awarded grants to the North End Community Improvement Collaborative for its new community center and to the Blessed to Run Track organization for scholarships for student athletes.

During the program, three people will be recognized for their service and dedication to the athletic programs at Mansfield City Schools and their names will be added to the Castle Wall at Arlin Field.

Castle was a local educator whose 50-year career spanned all aspects of education in Richland County.

He had a special place in his heart for the underdog. When he died of brain cancer his family established the Doug Castle Legacy Fund at the Richland County Foundation to continue his work and honor his life. His wife, Liz; son, Michael, and daughter, Beth, want to support education programs, racial equity and inclusion, mentorship, and community building.

Doug began his teaching ca-

reer in 1965 at John Simpson Junior High School and took an active role in coaching football, basketball, and track.

Castle retired from Mansfield City Schools in 2000 after years of leadership including as principal of Simpson, and then worked as the Galion Middle School principal for the next five years.

For years he was the director of the Mansfield Mehock Relays and then the Gorman Wrestling Tournament. Ohio State University Football Coach Jim Tressel hired Castle to work as an Academic Encourager for the young men on the football team.

Castle developed an administrative philosophy based on being fair and keeping a sense of humor. He was a staunch believer in disciplining children in a way that would not destroy their dignity or self-respect. He valued every student.

Anyone can donate to the Doug Castle Legacy Fund online at richlandcountyfoundation.org, click the donate button and select the Doug Castle Fund. Or you can write a check to the Richland County Foundation and note the fund on the memo line.

STUDENTS IN BRITTANY RHODES' GLOBAL FOODS class at Ontario have been working on a food truck entrepreneurial project. They learned the behind the scenes of entrepreneurship- startup capital, budgeting, career pathways, and starting a business. Each student created a 3D model of their food truck, shared a sample of a dish from their food truck menu and presented their whole project to the class.
